

Coming Back to School with Kindness

Being Kind

A large, light-colored decorative area featuring a faint green silhouette of a person walking. The background is decorated with horizontal lines in various colors (pink, yellow, green, blue, purple) and several large, semi-transparent red hearts. On the left side, there are three blue checkmarks in circles, each followed by a vertical list of green dots. The first list has two dots, the second has three, and the third has four. The text 'May we have patience and kindness for one another and ourselves during dif cult times.' is positioned between the first and second lists of dots.

● May we have patience and kindness for one another and ourselves during dif cult times.
